MEMORANDUM BY THE GERMAN DELEGATION
ON THE DELIVERY OF FOUR TWO TONE-TELEGRAPH-TRANSMISSION
TERMINAL STATIONS TO ROUMANIA

The German Delegation have the honour to refer to their Memorandum Cocom Document 3666 and present hereby a request for the delivery of 4 two-tone-telegraph-transmission-terminal stations of the Type DWT 12 to Roumania, valued at \$11,676,50.

The shipment contains 2 two-tone WT-terminal stations having each 6 channels without subscriber's connection relais and 2 two-tone WT-terminal stations with 6 channels each with subscriber's connection units.

As mentioned already in Cocom Document 3666 the German authorities are of the opinion that the benefit of the shipment lies more with the Federal Republic of Germany than with Roumania.

The request is presented on an ad-hoc basis. The German authorities hope that no objection will be raised.

It has to be mentioned that the shipment described in Cocom Document 3666 is part of the total installation and the delivery of the equipment mentioned above can be carried out only if the equipment mentioned in Cocom Document 3666 is authorized as well.
